# TABLE OF CONTENTS

From classic designs to custom product, MityLite has met commercial furniture needs world-wide with well-designed, durable products for nearly 30 years. As the industry standard, we look forward to continuing our legacy by introducing several new chair lines, innovating our already state-of-the-art tables, and expanding possibilities in design with our latest venture: M-STUDIOS.

We hope as you explore this material, it will direct and inspire you on your pursuit to furnish your facility perfectly. Do not feel limited by what you see on the pages. The team at MityLite has the tools and knowledge to help you solve the most complex furnishing challenges you face.

Doing business with MityLite feels differently. From the moment we meet to when we deliver your product—and even years afterward—you can expect an unparalleled quality from MityLite. We take great pride in serving our customers and are inspired by your loyalty and confidence in our brand. As we continue to grow, you can count on us to deliver an exceptional customer experience and unsurpassed value through the design and manufacturing of industry-leading products.

John Dudash  
President & CEO  
Mity Inc.

INTRODUCING:

# PRODUCT PERFECTED

M-STUDIOS makes it easy to achieve your facility's unique furnishing vision by providing you with the ability to customize product. The process can be as simple as **modifying** an existing product or as involved as **making** a 100% custom design. We customize/create product around your facility's needs versus the industry standard of limiting your selection solely to pre-existing products that may not meet your unique needs.

On behalf of the M-STUDIOS team, we invite you to collaborate with us on your next project. Bring us your challenges, vision, and ideas and we'll bring a team of engineers, designers, and consultants who will guide you through the entire process. Let M-STUDIOS transform your space with more than just product.

**Experience the difference of product perfected.**
